You got my dime by the door
Hurry now before you get colder, ain't no stoppin me baby
I'm yonder bound, lead me on

Chorus 1

Take me babe, take me babe darlin' I got to know ya
And I promise that your love won't be in vain

Listen now I got somethin for ya, it's on the radio baby
They'll play my tune everywhere
Hope you know how much I adore you, you got all of me baby
Grey water now mighty clear

And I promise that your love won't be in vain
I had prayed darlin' over and over
For the chance that we would meet some shiny day
Lord I've found the way
